Thinking Outside the Box

What to do with an empty big box? The Revitalizing Auto Communities Environmental Response (RACER) Trust has been charged with finding a use that fits the property and the local communities they serve or effect... It's a BIG job! What's the right plan? What serves the community? Who are the cast of players to bring into the mix? Mr. Rasher brings a wealth of experience and will share some of his experiences in a riveting presentation.
