## **BUILDING OWNERS AND MANAGERS ASSOCIATION Metro Detroit Endorses Michigan Turnaround Plan**

**FARMINGTON HILLS, Mich., January 11, 2010 – The Building Owners and Managers**

**Association of Metro Detroit (BOMA) has endorsed the Business Leaders for**

**Michigan's (BLM) Michigan Turnaround Plan.** BOMA Metro Detroit membership

represents all facets of commercial real estate--from companies that own and manage

property to those companies that provide goods and services such as legal, financial,

maintenance, janitorial, and landscaping in southeast Michigan. BOMA Metro Detroit

strongly endorses the Michigan Turnaround Plan. All BOMA members have experienced

the effects of the government's attempts to divine what is best for the business

community. BOMA President David Mott says, "The Michigan Turnaround Plan outlines

the steps required to stabilize both business and communities. The plan also provides

several concrete actions for implementation to improve the business climate as well as

improve government efficiencies."

BOMA opposes any additional tax burden and believes that a sound tax policy is

essential to sustainable growth of the business community. Many business leaders in

Michigan have already provided a guide for discussion.

Mott adds, “BOMA remains diligent in its efforts to help strengthen the business environment in Michigan that will retain and create jobs for its citizens and ensure our economic, social and environmental prosperity well into the future.”

Founded in 1908, BOMA of Metropolitan Detroit is a professional trade association whose nearly 400 members either own or manage commercial real estate, or provide goods and services to the industry. As part of BOMA International, which represents over 9 billion square feet of commercial properties and facilities in North America and serves 17,000+ commercial real estate professionals, BOMA of Metro Detroit provides commercial real estate professionals with the opportunity to work together for professional growth, advocacy rights, corporate growth, and the benefit of the nine Southeastern Michigan communities it serves.
