NEW IMAGE BUILDING SERVICES, INC. ANNOUNCES EXPANDED OPPORTUNITIES AT BASF

John Ezzo, Founder & CEO of Mt. Clemens based NEW IMAGE BUILDING SERVICES, INC. recently announced the partner acquisition of (2) new facilities from BASF, in Beachwood, OH. BASF a New Jersey based major manufacturer has been a partner of NEW IMAGE since 2001. According to Ezzo, *"Our performance relative to BASF assignments continues to meet and exceed BASF standards for excellence, hence BASF's new business award."* Currently, NEW IMAGE is responsible for the custodial care of more than 450,000 sq. ft. of space at over (30) BASF facilities. Ezzo went on to say that *"Our Director of Safety, Justin Shew and Vice President of Industrial Engineering & Process Design, Jim Wallace, continue to be instrumental in reducing BASF costs, while delivering quantifiable, measurable metrics that descend directly to the bottom-line for BASF."*

NEW IMAGE BUILDING SERVICES, INC. has offices in (3) states, Michigan, Indiana and Ohio and services more than 16 million sq. ft. of commercial, industrial, manufacturing, retail and atomic energy space. Further, NEW IMAGE self-performs all of its assignments and employs more than 800 employees.
