Teamwork, commitment & vision are the foundation of a successful association, and

BOMA of Metro Detroit Volunteers

The **Membership Committee's** main goal is to promote BOMA and prospect new members. They meet the second Tuesday of every month at 3:30pm. There is always significant brainstorming on new possibilities to grow Metro Detroit's membership.

The **Speaker/ Program Committee** is responsible for choosing monthly membership meeting topics and programs. The committee uses feedback from membership surveys to keep the monthly meetings interesting and up to the minute. They meet the third Tuesday morning of each month.

The **Golf Committee** handles every aspect of bringing two first-class golf outings to the roster of yearly events. They choose courses, obtain sponsorships and handle all the details so 200+ golfers have a great experience at the BOMA golf outings. They meet monthly between January and September.

The **Supplier Committee's** goal is to organize the yearly Trade Show and create opportunities to serve BOMA Supplier members. This committee is seeking some committed individuals to make next years show fresh and interesting. Please consider joining your colleagues on a monthly basis from August to January to make next year's show the best ever.

The **Awards Committee** plans the yearly black-tie gala held every fall to honor TOBY and Leadership Award recipients. The committee chooses the location, food, and every aspect of the event to make it a first rate night. This is an extremely important occasion because it honors the best in the industry and rewards their excellent performance. They meet from March to September on the third Wednesday of every month. The **TOBY Committee** executes the entire TOBY Award Program. This important committee makes our TOBY Awards possible. Their responsibilities range from seminars on how to enter your building for the TOBY Program to judging the winners. They meet monthly at the BOMA Office.

The **Government Affairs Committee** champion our advocacy efforts and serves as liaison to our lobbyists in Lansing. This committee plans PAC Fundraisers, testify at relevant political events, and maintain our presence on topics that concern legislation relevant to the commercial property industry. They meet every month on at 8:00am on the second Thursday.

The **Education Committee's** goal is that our educational offerings are relevant and delivered with integrity. These programs are the process in which members obtain their professional designations. They also have been responsible for bringing the new webcast and similar types of seminars to the membership over the past year. They meet every other month.

The **Community Affairs Committee's** goal is to work with the community to enhance the area's where we live and work.

The **Communications Committee's** goal is to develop and implements a variety of communications for the benefit of the membership and, in particular, to make BOMA Detroit a preeminent resource for various media inquires related to our industry.
