Responsibilities

Mr. Lauhoff joined Albert Kahn Associates, Inc. in 1999 to develop the Facility Management Division serving both internal and external clientele. Due to the success of the program, the Facility Management Division became Kahn Facility Management Inc. in 2006.

The company's portfolio of managed properties ranges from commercial, retail, manufacturing, education, and healthcare. Services include corporate facility management, line staffing, janitorial operations, forklift operations, and chemical operations. Clients include General Motors Corp., International Truck and Engine Corp., Albert Einstein Hospital (Sao Paolo, Brazil), Collins and Aikman, Wayne State University, and Goodwill Industries.

Career Summary

Mr. Lauhoff holds the Real Property Administrator (RPA) and the Facility Management Administrator (FMA) professional designations from the BOMI Institute and has 26 years of management experience and over 18 years of facility management experience.

Before joining Albert Kahn Associates, Inc., Mr. Lauhoff was the Director of Facility Operations for River District Hospital, part of the St. John Health System, where he was responsible for the management of the hospital's facilities, security, and life safety divisions.
