

Michael
Lauhoff, RPA, FMA

B O M I I N S T R U C T O R

Mike Lauhoff is the President/CEO of the Lauhoff Group which is a Facility Management Service provider to the Commercial, Industrial, Manufacturing and Healthcare environments. He holds a Master's degree in Organizational Leadership and a Bachelor's degree in Community Services. Mike has spoken on the FM subject internationally and taught courses for BOMI in Germany. He has been teaching BOMI courses since 2006 and holds the RPA and FMA designations. Prior to opening his own business in 2010 he was retained by Albert Kahn Associates, Detroit, to create the Facility Management business which resulted in landing clients such as General Motors, Coca-Cola Bottling and Goodwill Industries of Detroit. Mr. Lauhoff has over 32 years of Facility Management experience and has served on past BOMA Detroit committees.
